

“What will the exam be like?”

“Are there any tools I can use to prepare?”

The SBE National Certification Committee has created sample test software for the SBE certification examinations. **SBE CertPreview** comes on a CD-ROM and operates in Windows. Each sample test contains 100 to 150 questions typical of those found on an actual exam. Correct answers move you to the next question; wrong answers stop to give you the right answer. Each CD also includes suggested reference materials for further study and an application for the actual exam. **SBE CertPreview** can be purchased for the following certifications (check the test[s] you want to purchase):

\$27 per test
add \$3 per CD*
for shipping/handling
*Multiple tests can be purchased on one CD
