RATE POLICY AND CONTRACT

As used in this section, the term "publisher" refers to The Society of Broadcast Engineers (SBE); "agents" refers to those companies contracted to design and produce all SBE print and electronic publications. All insertion orders for advertising in all SBE print and electronic publications are accepted subject to the terms and provisions of the current rate card. Publication of the advertisement represents acceptance of the order. No conditions, printer or otherwise appearing on the space order, billing instructions or copy instructions which conflict with the publisher's stated policies and current rate card will be binding on the publisher. The liability for any error will not exceed the charge

for the advertisement in question. Neither the publisher nor its agents assume any liability for errors in any type set by the publisher or its agents. All contents of advertisements are subject to publisher approval. Publisher reserves the right to reject, exclude, modify or cancel any advertisement, insertion order, and space reservation or position commitment at any time. All SBE print and electronic advertisements are accepted and published on the representation that both the advertiser and the advertising agency are authorized to publish the entire content and subject matter thereof. In consideration of publication of an advertisement, the advertiser and advertising agency, jointly and severally, will indemnify and hold harmless SBE, its officers, agents, employees and members, against all expenses (including legal fees) and losses resulting from the publication of the contents of the advertisement, including, without limitation, claims or suits for libel, violation of right privacy or publicity, plagiarism, copyright or trademark infringement, and any other claims or suits that may arise out of publication of such advertisement. Contracted amount consists of entire insertion order. Contracts are non-cancelable.
